

Attestation Number: 2016-CERT-007_02

**TÜV Rheinland hereby confirms,
that the tested components as per report R2016-CERT-007**

Manufacturer's name and address:	HSME Corporation 8, Hwa Jeon San Dan 5-Ro, Gang Seo-Gu 618-280 Busan Korea
Trade name or mark:	HSME® / M Tube Fitting®
Type:	tube fittings for LNG
Component:	as per attachment of this certificate
Class:	Class 5 as per the applicable regulation, reference is made to the manufacturer's recommendations

fully complied with the requirements of the

- **ECE Regulation 110-02**
- **State of the art**

Date of initial attestation:	2016-05-17
Date of re-attestation:	2020-05-16
Expiry Date:	2022-05-15

Sulzbach/Saar, 2020-05-16
